# Miel & Miga

THE LITTLE BAKERY

## A little sweetness.

## For every kind of day.

# The weekend collection

Small treats for slow mornings, shared tables and thoughtful gifts.

## Pastry selection

Golden layers, soft centers and a changing mix of bakery favorites.

## Something to share

A centerpiece cake for coffee, conversation and a table of friends.

## A little gift

A sweet gesture for a host, a thank-you or an unexpected celebration.

## Make it yours

Ask about available flavors, portions and presentation before ordering.

# Made for your moment.

Birthdays, small weddings and the milestones in between. Begin with a few details and build a cake around the occasion.

## The occasion

Date, guest count and how you plan to serve.

## The flavors

Favorite combinations and any dietary requirements to discuss.

## The finishing touches

Colors, inspiration, a message and collection arrangements.

# Let’s make something lovely.

Browse the collection, choose an occasion and gather your inspiration. A real bakery would confirm availability, portions, allergens and a quote before accepting an order.
